

Spaulding Pond Lichens & Bryophytes

List of lichens and bryophytes observed at Spaulding Pond, Norfolk, CT, 5 May 2021 Steven Messier and Christopher Mangels

Lichens Mosses & liverworts

Acarospora fuscata *Bartramia pomiformis* *Amandinea* species* *Dicranum cf. fulvum*
Aspicilia cinerea *Fontinalis novae angliae* * *Aspicilia laevata* *Frullania* species
Biatora longispora * *Hedwigia ciliata* *Biatora vernalis* *Leucobryum* species *Buellia*
dialyta * *Sphagnum* species *Cladonia caespiticia* *
Cladonia multiformis *
C. ochrochlora
C. parasitica *
C. petrophila *
Diploschistes scruposus
Flavoparmelia baltimorensis
F. caperata
Fuscidea arboricola *
Graphis scripta
Halecania pepegospora
Hypogymnia physodes
Hypocenomyce scalaris *
Julella fallaciosa *
Lecanora thysanophora
Lepraria cf. caesia (blue green)
L. finkii
L. normandinoides
Leptogium cyanescens
Micarea peliocarpa *
Myelochroa aurulenta
Ochrolechia yasudae
Parmelia squarrosa *
P. sulcata
Parmotrema hypotropum
Peltigera elisabethae *
P. praetextata *
Phaeophyscia adiastrata
P. rubropulchra
Phlyctis petraea
Placynthium nigrum *
Porpidia albocaerulescens
P. crustulata
P. soledizodes
Psilolechia lucida
Punctelia rudecta
Ramalina cf. petrina
Rimularia badioatra
Ropalospora viridis
Ropalospora chlorantha *
Scoliciosporum umbrinum
Scytinium dactylinum *
Trapelia placodioides
Trapeliopsis flexuosa *
Umbilicaria mammulata
Usnocetraria oakesiana *
Xanthoparmelia conspersa

(*) denotes species later verified by S. Messier
